Family Time is meant to be an opportunity to get the family talking about spiritual things. Multiple studies show that parents and grandparents are the #1 faith role models in a child's life. We know life is busy, but we want to give you opportunities to grow together. The best time to do it is together in the car, while eating a meal together, or simply anytime you can spend some time together.

1) We talked about the unholy trinity (Satan, our sin, and the world) contributing to temptation---discuss how each of the 3 contributes:

a) Satan

b) Our sin

c) The World

2) Read James 1:13-15---Have each person respond with what this passage is saying
